

AGING & DISABILITY RESOURCE CENTER OF BROWARD COUNTY

2009-10
Winter/Spring

*"Life is a dream that is realized
by the acceptance that we live on,
in time, through our deeds and progeny,
after Heaven opens its glorious gates
to welcome humanity home."*

*Edith Schaffer Lederberg
Executive Director*

GENERAL INFORMATION

The **Aging & Disability Resource Center** plans, develops, coordinates, and evaluates programs; funds services; and is the prime advocate for Broward residents 60 years of age or older. The ADRC is administered by the Areawide Council on Aging of Broward County, Inc. The need for services for Senior Americans was recognized by the Federal Government with the passing of the Older Americans Act in 1965, and the establishment of Area Agencies on Aging nationwide. In September of 2005, Broward's Area Agency was designated an Aging & Disability Resource Center.

All programs are funded by the following through the Florida Department of Elder Affairs and the Areawide Council on Aging: Titles III-B, III-C, III-D, III-E, V, and VII of the Reauthorized Older Americans Act; Florida's Community Care for the Elderly and Home Care for the Elderly Acts; Alzheimer's Disease Initiative Legislation; Medicaid; and Emergency Home Energy Assistance for the Elderly. Matching funds are contributed by Broward County Government and local municipalities.

The administrative offices of the Aging & Disability Resource Center are located at 5300 Hiatus Road, Sunrise, FL 33351. Center addresses and services are listed and described in this brochure. For most services, participants must be 60 years of age or older. Recipients of federally-funded services are given the opportunity to donate, within their means, for the programs. Clients, in state-funded Community Care for the Elderly and Alzheimer's Disease Initiative Programs, are assessed co-payments based on a sliding scale. Alzheimer Projects are not age specific but require a medical diagnosis. Waiting lists presently exist for some services. All program telephone numbers are included in the descriptive sections of this brochure, as well as on the back page.

HOME TOUCH

HOME TOUCH provides carpentry, plumbing, electrical, and other minor repairs necessary to preserve health and safety in the owner-occupied home. Financial and material donations are accepted. The Home Touch Program is administered by the Minority Builders Coalition, Inc. Office hours are 8:30 a.m. - 5 p.m., Monday - Friday.

Telephone Number: (954) 792-1180

This brochure, which is supported by Florida's Department of Elder Affairs, was produced and funded through the cooperation of the ADRC and Florida Power and Light Company.

BROWARD'S ELDER HELPLINE

THE ELDER HELPLINE is an Information & Referral Program designed to provide a toll-free single point of access for people, age 60 and over; persons with severe and persistent mental illness, ages 18 and over, their families, and caregivers, to request and receive information and other assistance relative to social services for the elderly in Broward County. Assistance is available in English, Spanish, and Creole. The Elder Helpline is administered by the Areawide Council on Aging of Broward County, Inc.

EMERGENCY HOME ENERGY ASSISTANCE

EMERGENCY HOME ENERGY ASSISTANCE FOR THE ELDERLY is a program which provides assistance for home-energy emergencies to qualified, low-income households with at least one person 60 years of age or older.

Telephone Number: (954) 745-9779 (Elder Helpline)

RELIEF

RESPITE FOR ELDERLY LIVING IN EVERYDAY FAMILIES (RELIEF) provides in-home respite to qualifying families. The program's purpose is to increase the ability of a family unit to continue to care for a homebound elderly individual by providing in-home respite beyond the basic provisions of current public programs. Services are provided through a multigenerational corps of volunteers, as well as minimally-paid personnel, who are screened, trained, and registered. RELIEF is administered by the ADRC through provider agencies.

Telephone Number: (954) 745-9779 (Elder Helpline)

JEWISH ADOPTION & FOSTER CARE OPTIONS

JAFKO SENIOR CAREGIVER PROGRAM provides support to seniors over the age of 60 years residing in Broward County who are raising their grandchildren. Services include counseling, referrals, home visits, and financial assistance with daycare and summer camp.

COMMUNITY CARE FOR THE ELDERLY

Florida's Legislature, demonstrating its commitment to meet the special needs of its aging citizenry, has allocated supportive funding through the **Community Care for the Elderly Act** (CCE). This legislation helps enable the frail elderly to remain in their accustomed environments, thereby delaying or avoiding institutionalization. The Aging & Disability Resource Center has designated Broward County Elderly & Veterans Services as Lead Agency for services in Broward County.

Case Management, by qualified social workers, is provided for Community Care for the Elderly participants. This includes: assessment of needs; development of a care plan; arrangement for services; and ongoing monitoring of each client's status.

The Central West, Daniel D. Cantor Senior Center, Irma E. Allen, Northwest Focal Point, St. Elizabeth, Tender Loving Care, and Wilton Manors Senior Day Care Centers are funded by Community Care for the Elderly. Rehabilitative Therapy is available at the five centers.

Other programs, supported by CCE, include: Emergency Alert Response; Chore and Homemaker Services; Personal Care; and Respite Care. Clients are assessed fees based on a sliding scale. All collected funds are utilized to expand the provision of services.

EMERGENCY ALERT RESPONSE

EMERGENCY ALERT RESPONSE is a 24-hour-a-day monitoring system. Frail elders, living alone, can press a portable help button that is electronically connected to a local Central Response Center in order to receive emergency assistance. Response Center Personnel then call a local contact or emergency services to check up on the client.

CHORE SERVICES

CHORE SERVICES involve the performance of house or yard tasks, including such jobs as seasonal cleaning, yard work, lifting and moving furniture, and household repairs.

HOMEMAKER SERVICES

HOMEMAKER SERVICES include light housekeeping, limited meal preparation, laundry, and shopping assistance for functionally-impaired elders.

PERSONAL CARE

PERSONAL CARE offers limited assistance to home-bound elders in need of help with various health-related tasks of daily living.

RESPIRE CARE

RESPIRE CARE provides help for the primary caregiver of home-bound elderly who require constant supervision. Staff remains with the client to allow the caregiver time to attend to matters outside the home.

ASSISTED LIVING MEDICAID WAIVER

ASSISTED LIVING MEDICAID WAIVER provides additional supportive services to clients who are at risk of nursing-home placement and reside in assisted-living facilities. Clients must meet Medicaid financial and impairment requirements.

HOME CARE FOR THE ELDERLY

HOME CARE FOR THE ELDERLY provides case management, basic financial assistance, and subsidies for specialized services, if approved, to assist caregivers to provide care and basic support to frail, low-income elders in the home.

MEDICAID WAIVER SERVICES

MEDICAID WAIVER HOME AND COMMUNITY-BASED SERVICES are provided to eligible frail elders in order to defer nursing-home placement. Clients must meet Medicaid financial and impairment criteria.

FLORIDA POWER & LIGHT ASSISTANCE & INFORMATION SERVICES

Florida Power and Light Company has many programs offering a variety of provisions for the customer in need.

SPECIAL BILL PAYMENT ARRANGEMENTS

We realize that occasionally unexpected personal or economic conditions may create a problem that prevents you from paying your bill. When this happens, please contact your local FPL office before the past-due date. We'll personally review your case, and when there is a history of regular payments, our customer service representatives will make every effort to work out a mutually satisfying solution.

ASSISTANCE AND REFERRAL PROGRAM

When special problems arise and emergency assistance is needed, FPL customer service representatives know how to link you to local **Information & Referral Agencies**, such as Elder Helpline and First Call for Help.

CARE TO SHARE FUND

This fund is made up of customer, FPL corporate and employee contributions that help pay home-energy bills for households experiencing a crisis. The Broward County Community Action Agency administers **Care to Share**. All donations go directly to benefit customers in crisis.

Look for Care to Share program donor information with your electric bill. If you need, or know someone else who needs assistance, contact **ELDER HELPLINE** at (954) 745-9779 for application information.

FPL FRIENDLY REMINDER

You can guard against disconnection of your electric service if you are away from home unexpectedly or cannot be reached because of illness. Through this plan, you can authorize FPL to send a copy of any delinquent notice to a person you designate, be it a relative, friend, clergyman, etc. This doesn't place any obligation on that person to pay the bill, but it does give him or her the opportunity to assist you.

This program, along with the **FPL Automatic Bill Payment**, is especially helpful to senior customers who may live alone. Please call FPL to enroll in our **FPL Friendly Reminder**.

62PLUS PAYMENT PLAN

If your main source of income is provided through Social Security retirement benefits, FPL's **62Plus Payment Plan** can make paying your electric bill a little easier.

If the due date on your monthly electric bill is prior to the receipt of your Social Security check, call us. FPL's 62Plus Payment Plan can reschedule your due date to coincide with the receipt of your monthly benefit check.

FPL BUDGET BILLING

With **FPL Budget Billing**, your monthly electric payment is based on your average annual usage of electricity, not what you use in one billing month. Although you still pay for all the electricity you use, Budget Billing can help you manage your money more efficiently because you can spread seasonal consumption costs over many months. You will also have a better idea of what you owe before your bill arrives. For more information on Budget Billing, call your local FPL office.

SPEECH AND HEARING IMPAIRED EQUIPMENT

FPL is acutely aware of the special needs and requirements of our handicapped customers. If you are hearing or speech-impaired, and have access to **TTY-TDD Equipment**, we have 'round-the-clock, seven-days-a-week service available through our toll-free number: 1-800-432-6554. Remember, you must use a teletype keyboard machine to reach FPL at this number.

MEDICALLY ESSENTIAL SERVICES PROGRAM (MES)

The Medically Essential Service program is for customers whose electric service is medically essential, as certified by a physician licensed to practice in the State of Florida.

Electric service may be medically essential if the customer has continuously operating electric-powered medical equipment necessary to sustain life, or avoid serious medical complications requiring immediate hospitalization.

This program does not guarantee uninterrupted service or exempt a customer from payment of their electric bill. Customers requesting participation in this program may call Florida Power and Light to request an Application and Physician's Certificate form.

MANAGING ENERGY EFFICIENTLY

HOME ENERGY SURVEY

For energy-saving tips for your home, call FPL for a free **Home Energy Survey**. An FPL representative will inspect your home and offer low-cost tips on how to make your home more energy efficient. And if you qualify, the FPL representative will also provide information about FPL's financial incentives to help install energy-efficient equipment or appliances. Call 1-800-DIAL-FPL (1-800-342-5375) for information.

ON-CALL PROGRAM

A voluntary residential energy-management program, **On Call** gives participants credit on their electric bills every month for allowing FPL to interrupt power to selected appliances during periods of heavy electricity consumption.

The participant selects which appliances to include from this list: central electric air conditioning, central electric heating, electric water heater and pool pump. Just call 1-800-DIAL-FPL (1-800-342-5375) for information.

HOW TO REACH US

If you need help, FPL's **Customer Service Representatives** are just a phone call away. The number for FPL is on the bottom right-hand corner of your monthly bill. You can call Monday through Friday from 8 a.m. to 5 p.m.

MEET THE AGING & DISABILITY RESOURCE CENTER

The **Aging & Disability Resource Center** is the nonprofit umbrella organization, charged with the responsibilities of planning, coordinating, monitoring, and funding programs, designed to meet the needs of over 346,979 year-round Broward senior residents. As the prime advocate for local Older Americans, the ADRC contracts with administering organizations for the following programs: senior centers; senior day care; site meals; home-delivered meals; Alzheimer's in-home and facility respite; minor in-home repair; legal; transportation; homemaker; personal care; respite; emergency response; and case management. Information & Referral also are available. Our office works closely with Florida's Department of Elder Affairs.

Due to a lack of sufficient State and Federal Monies, the ADRC constantly is developing fundraising activities on the local level. In addition, the critical need for services, to maintain frail elders in their own homes, is placing tremendous demands on project personnel trying to help seniors avoid premature nursing-home placement.

You can help! Please make a tax deductible donation to the Aging & Disability Resource Center. By working together, we can help assure the merited rights of Older Americans to live their retirement years with dignity! Yes, I (we) want to help needy Broward seniors. Enclosed is my (our) contribution. (Payable to Areawide Council on Aging).
