JENNE JOINS AGING AGENCY

State Representative Evan Jenne (H-100) has been elected to membership on the Areawide Council on Aging Board of Directors.

Representative Jenne, who currently chairs the Broward Delegation, will participate on the Board that plans, coordinates, and funds a majority of projects and services that benefit the more than 345,064 year-round senior residents of Broward County.

Since its incorporation in 1974, the Areawide Council has been the prime focal point for receipt and allocation of federal, state, county and municipal allocations for senior programs. Jenne's dedication toward serving the needs of Older Browardians will highly compliment the abilities and performance of the seventeen other men and women who serve on the Areawide Council.
